

# *How to stay safe from germs!*

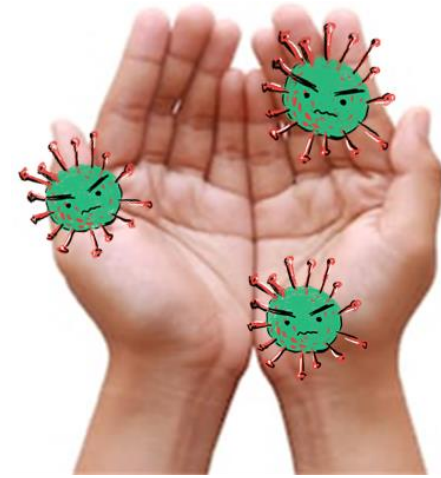

Germs are so small  
you can't see them!

Some germs are very bad.  
Some germs can make  
you sick.

Germs like to live on your hands.

When you touch your face,  
germs can move on to  
your face!

**STOP!** Please do not touch your face!

**STOP!** Please do not put your pencil in your mouth!

*How can you stay safe?*

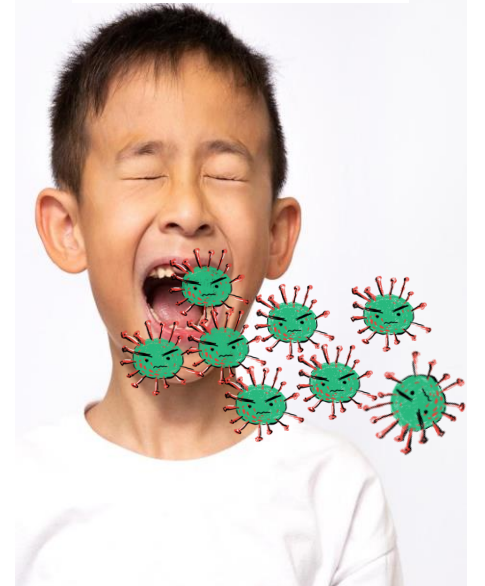

*Wash your hands.*

Stay safe!  
Sneeze and cough  
into your elbow.

Stay safe!  
Sneeze and cough  
into a tissue.

*Stay safe!  
Use the tissues in our  
classroom.*

*Stay safe!  
Put your used tissues  
in the bin.*

*Remind your friends to stay safe  
from germs at school too!*
